THE ONE SIN.

Please hear this. People do not go to hell for their sins. They go to hell for rejecting Jesus Christ as their Sin Bearer, their Substitute, and the One who died in their place for their sins. *"He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God."* (John 3:18) Jesus knew how many sins you would commit, but He said He loved you and died for you. Would you right now just pray to God and trust Jesus Christ as your Saviour? Romans 10:9 states, *"That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved."* It's your decision.

If you will accept Jesus Christ as your Lord and Saviour, please pray with all your heart: *Dear Lord, I now realize that I am a sinner and that You died for me. I repent of my sin, and ask You to now come into my heart, save me, and take me to heaven when I die. Thank You, Lord, for saving me. In Jesus' name, Amen.*

If you have decided to trust Jesus Christ as your Saviour after reading this tract, please write and let us know.

IS JESUS
CHRIST
YOUR
SAVIOUR?

"But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name:"

Breach of Contract Last and Final Notice

Tenant/s: [REDACTED]

Address : [REDACTED] Fraser Street, Vancouver B.C. [REDACTED]

I have continuously been receiving noise complaints from the neighbors around you with regards to unreasonable noise after 11 PM at night and going into early hours of the morning. I have given you several verbal notices with regards to the noise that you've been creating after hours. And you've also had your neighbors ask you to keep the after-hours noise down. I have no choice but to give you this letter as your last and final notice for disturbing your neighbors at unreasonable hours past 11 PM. The next time I received a noise complaint about your suite I'll instruct the family or families which you are disturbing in the neighborhood to call the police and file a complaint, and I will also drive from Delta at that time to serve you with a notice to end your tenancy. I sincerely hope it doesn't come to this.

Your suite is very busy with people coming and going from your house you have a lease agreement for three people I'll be monitoring your suite closely and if you're housing more than a maximum of three people in your suite with regards to your lease agreement stating you're only allowed three I will also have to take action.

When I viewed your suite a couple of days ago it was in an absolute filthy condition and if we end up having any rodents of any kind within the building it will be your responsibility to pay for the pest control. Please take some time and do a thorough cleaning of your living space.

Thank you very much for looking after these problems immediately.
